THE ART OF CONVERSATION

WHERE RELATIONSHIPS ARE FORMED, AND NEW IDEAS ARE BORN.

Like veterinary medicine, language, when mastered, is an art. At AAHA Austin 2016, over hors d'oeuvres and cocktails, in great conversation you'll take part. You'll share information, and laugh among friends. If you want to rub elbows with the best, there's no other conference to attend.

Don't be late

If you want to save money, register by January 15, 2016.
