THE ART OF MOVEMENT

SOMETIMES VETERINARY PROFESSIONALS JUST WANT TO HAVE FUN.

Play. Sing. Dance. Let loose. Be yourself. We're choreographing several conference events that will help you unwind and start dancing to the beat of your own drum. Don't be shy—all the artists at AAHA Austin 2016 are in the same industry you are, and they all share your need to take off your veterinary hat and step into your dancing shoes from time to time.
