

EXPERIENCE THE DIFFERENCE

BLUM ANIMAL HOSPITAL: *Exceptional veterinary care for Chicago's pets since 1952*

At Blum Animal Hospital, it's about the experience. Whether you call our practice, send us an email, engage with us via social media, or physically walk through our doors with your pet, we want your experience to be second to none. We're passionate about Chicago's pets, and that passion shines through with every interaction. Our commitment to practicing the highest quality veterinary medicine is evident and ongoing: Our animal hospital is accredited by the American Animal Hospital Association (AAHA) and certified as a Cat Friendly Practice, and all of our veterinarians are Fear FreeSM certified. Voted best Chicago animal hospital, you'll want to experience the Blum difference for yourself.

A STATE-OF-THE-ART VETERINARY HOSPITAL, *right in the heart of Chicago*

Bad breath in Wrigleyville? Behavior problems in Lakeview? Need vaccines in Lincoln Park? This Chicago animal hospital has your pet's veterinary care needs covered. Chicago pet owners: You'll love our convenient location (on Clark, just north of Belmont in Lakeview), our FREE parking (yeah, you read that right), and our variety of veterinary medical services (wellness care, dentistry, surgery, internal medicine, and diagnostics, to name a few).

Chicago's pets will love visiting our team of passionate and friendly veterinary professionals, committed to making the veterinary experience a positive one. It's a difference you can feel the moment you walk through our doors.
